Appendix 1

15/5840C Land off Warmingham Lane, Middlewich, Cheshire

Moston Parish Council cannot support this application, part of which lies within our parish.

The majority of Warmingham Lane is within Moston and, regardless of the figures produced in the detailed Travel Plan, this development would significantly add to the already increased amount of traffic on a number of the inadequate lanes of Moston due to the cumulative development within Middlewich.

The Middlewich Bypass, still with no start or completion dates, is often mentioned as a measure to improve traffic conditions within Middlewich.

Residents in Moston can already envisage the 'Rat Runs' which will be created on our busy narrow and dangerous lanes to access or even avoid this perceived saviour.

If planning permission was granted we would suggest a condition was imposed for funding of the re-surfacing of Dragons Lane, speed restrictions and improved signage at the junctions of Warmingham Lane with Dragons Lane, Dragons Lane with Whitehall Lane and Dragons Lane with Tetton Lane.
